

Letter of Support for Maternity Care Services

Date: [Insert Date]

To Whom It May Concern,

We are pleased to provide this letter in support of mental health services available to maternity care patients. Our facility recognizes the importance of offering comprehensive mental health support during the perinatal period to ensure the well-being of both mothers and their newborns.

Our services include:

- Individual counseling sessions
- Group support meetings
- Educational workshops on maternal mental health
- 24/7 helpline for urgent mental health needs

We encourage expecting and new mothers to prioritize their mental health and seek assistance when needed. Our trained professionals are here to provide compassionate care and support throughout the journey of motherhood.
