

COVID-19 Vaccination Side Effects Information

Date: [Insert Date]

Dear [Recipient's Name],

We hope this message finds you well. As you prepare to receive the COVID-19 vaccination, we want to provide you with important information regarding potential side effects.

Common Side Effects

- Pain or swelling at the injection site
- Fatigue
- Headache
- Muscle pain
- Chills
- Fever
- Nausea

When to Seek Medical Attention

If you experience any of the following severe reactions, please seek medical attention immediately:

- Difficulty breathing
- Swelling of the face or throat
- Rapid heartbeat
- A severe rash or hives

We urge you to monitor your health after receiving the vaccine. Most side effects are mild and resolve on their own within a few days.

If you have any questions or concerns about the vaccine, feel free to contact us at [Contact Information].

Thank you for doing your part to protect yourself and the community.

Sincerely,

[Your Name]
