

Patient MRI Scan Preparation with Sedation

Dear [Patient's Name],

We are writing to provide you with important information regarding your upcoming MRI scan scheduled for [Date] at [Time]. Since your procedure requires sedation, please read the following instructions carefully to ensure your safety and the success of the procedure.

Before the MRI Scan:

- Please refrain from eating or drinking anything for at least [insert fasting time, e.g., 6 hours] prior to your appointment.
- Ensure you have arranged for someone to accompany you to the appointment and to drive you home afterward, as sedation may affect your ability to operate a vehicle.
- If you are currently taking any medications, please consult with your physician for guidance on whether to continue taking them prior to your appointment.
- Wear loose, comfortable clothing without any metal zippers or buttons. You may be asked to change into a gown upon arrival.

Day of the Appointment:

- Arrive at [Location] at least [insert time, e.g., 30 minutes] before your scheduled appointment.
- Check in at the reception and provide any required information.
- Inform the staff if you have any allergies, especially to medications.

If you have any questions or concerns before your appointment, please do not hesitate to contact us at [Contact Number].

Thank you for your attention to these instructions. We look forward to assisting you during your MRI scan.

Sincerely,

[Your Name]
