

Orthodontic Treatment Financing Options

Dear Families,

We understand that investing in your child's orthodontic care is an important decision. To help you navigate this process, we would like to present several financing options that can assist you in managing the expense of treatment.

Financing Options Available:

- **In-House Payment Plans:** Customized payment plans allowing you to spread the cost over several months.
- **Third-Party Financing:** Flexible financing options through trusted partners. This can include low-interest or no-interest plans.
- **Insurance Benefits:** We accept various insurance plans that may cover a portion of the treatment cost. Please check with your provider.
- **Discounts for Upfront Payments:** Potential discounts available for full payments made at the beginning of treatment.

If you would like to discuss these options in more detail or have any questions, please don't hesitate to reach out to our office. Our team is here to help and provide you with the best care possible.

Thank you for considering us for your orthodontic needs!

Sincerely,
