

Letter of Support for Primary Care Physician Continuity

Date: [Insert Date]

[Recipient's Name]

[Recipient's Title]

[Organization/Practice Name]

[Address]

[City, State, ZIP Code]

Dear [Recipient's Name],

I am writing to express my support for the continuity of care provided by primary care physicians (PCPs) in our community. In today's rapidly changing healthcare environment, maintaining a consistent relationship with a trusted PCP is essential for improving health outcomes.

Research has demonstrated that patients who have a designated primary care provider experience better overall health, greater satisfaction with their care, and fewer hospitalizations. As such, I urge you to commit resources and initiatives that prioritize the continuity of care through established primary care relationships.

By ensuring that patients have uninterrupted access to their PCPs, we can foster better communication, enhance preventive care, and support chronic disease management. This continuity not only benefits the patients but also strengthens the overall healthcare system.

Thank you for considering this essential aspect of patient care. Together, we can work towards achieving greater health equity and improved care for our community.

Sincerely,

[Your Name]
