

Resources for Genetic Counseling Support Groups

Date: [Insert Date]

To Whom It May Concern,

We are pleased to provide you with a list of resources for genetic counseling support groups designed to assist individuals and families affected by genetic conditions.

Support Groups:

- **Genetic Support Foundation** - A global network offering support and resources for families navigating genetic conditions.
- **National Society of Genetic Counselors (NSGC)** - Provides information on finding local support groups and resources.
- **Parents of Kids with Inherited Conditions (PKIC)** - A supportive community for parents to share experiences and advice.

Online Resources:

- **Genetic Counseling Toolkit** - A collection of resources for genetic counseling professionals and support groups.
- **MyGeneCounsel** - Offers online genetic counseling and educational materials.
- **InformedDNA** - Provides access to genetic specialists via telehealth services.
