Dear [Contractor's Name],

We, [Your Company's Name], affirm our commitment to maintaining the highest safety standards during all phases of our contracting work. We understand the importance of adhering to safety regulations and protocols to ensure the well-being of all employees and stakeholders involved.

Please find below our affirmation of compliance with contractor safety standards:

- All personnel are trained in safety procedures and emergency protocols.
- We consistently conduct safety audits and risk assessments.
- Personal protective equipment (PPE) will be provided and utilized at all times on site.
- Regular safety training and drills will be conducted throughout the contract period.

We appreciate your partnership and look forward to a successful, safe collaboration on this project. Should you have any questions or need further information regarding our safety practices, please do not hesitate to contact us.

Sincerely,
