Dear [Plumbing Company Contact Name],

I am writing to formally request warranty service for plumbing concerns associated with my property located at [Your Address]. I previously had plumbing services carried out on [Date of Service], and unfortunately, I have encountered issues that I believe fall under the warranty provisions.

The specific concerns include:

- Leaking pipe in the kitchen
- Low water pressure in the bathroom
- Clogged drain in the basement

I kindly ask that you send a technician to inspect and remedy these issues at your earliest convenience. Please respond to this request by [Insert Deadline].

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
