Dear [Recipient's Name],

I am writing to formally request the expansion of our current project infrastructure to accommodate the increasing demands of our operations. As we progress through the project, we have encountered several challenges that necessitate an enhancement of our existing resources.

Currently, our infrastructure is operating at full capacity, and we anticipate that without immediate expansion, we may face significant setbacks in our project timelines and deliverables. The proposed expansion includes [briefly outline the specific infrastructure needs, e.g., additional servers, software upgrades, increased workspace, etc.].

We believe that investing in our infrastructure will lead to improved efficiency and productivity, ultimately enhancing the overall success of the project. We are committed to delivering excellent results and are confident that with your support for this expansion, we can achieve our goals.

Thank you for considering this request. I am looking forward to discussing this matter further and hope to proceed with the necessary arrangements as soon as possible.

Sincerely,
