Dear [Surveyor's Name],

I am writing to formally request a land survey for a proposed residential development located at [Property Address or Description]. We are in the initial stages of planning and require a detailed survey to proceed with the necessary permits and zoning approvals.

The objectives for the survey include:

- Determining property boundaries
- Identifying any easements or encroachments
- Mapping topographical features
- Assessing any potential zoning issues

We would appreciate it if you could provide us with an estimate of your fees and the expected timeline for this survey. If possible, we would like to schedule a meeting to discuss the details further.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
