Dear [Contractor's Name],

This letter serves as an acknowledgment of the noise regulation policies that must be adhered to during your tenure on the project located at [Project Address]. It is critical to adhere to the guidelines set forth to minimize disturbances to the surrounding community.

As per the regulations, we require that:

- Noise-producing activities be limited to [Insert Permitted Hours].
- All machinery and equipment should be operated with noise-reducing technologies where possible.
- Notification be given to neighbors prior to any scheduled high-noise activities.

By signing below, you acknowledge your understanding and acceptance of these regulations. Please ensure that all team members are informed of these policies and that compliance is maintained throughout the duration of the project.

Sincerely,
