Dear [Contractor's Name],

We are writing to confirm the provision of necessary health and safety gear for all personnel involved in [Project Name]. As per our agreement and local regulations, it is crucial to adhere to the health and safety standards to ensure the well-being of all workers on site.

As part of your responsibilities, we require that you supply the following health and safety gear:

- Hard hats
- Safety goggles
- High-visibility vests
- Gloves
- Steel-toed boots

Please ensure that all equipment complies with industry standards and is in good condition before distribution. We expect all gear to be provided by [Insert Provision Deadline]. Regular checks will be conducted to ensure compliance.

If you have any questions or need further clarification, please feel free to reach out to us.

Thank you for your attention to this important aspect of our collaborative efforts.

Sincerely,
