Dear [Recipient's Name],

I am writing to formally express my concern regarding the oncology support services offered at [Hospital/Organization Name]. My experience as a patient/visitor on [specific date] left me feeling dissatisfied and unsupported, which I believe is critical in the context of oncology care.

Specifically, I encountered issues such as [describe specific complaints: lack of communication, inadequate support, long wait times, etc.], which ultimately hindered my overall experience and care. I believe that effective support services are essential for patients and their families during such challenging times, and I felt that my expectations were not met.

I kindly request that you look into these matters and consider implementing improvements to ensure a better experience for future patients. I appreciate your attention to this important issue, and I look forward to your response.

Thank you for your time.

Sincerely,
[Your Name]
