[Your Position]

[School Name]

[School Address]

[City, State, Zip Code]

Dear [Grant Committee Name],

I am writing to propose a grant for enhancing our school's educational technology resources. As a vital part of modern education, access to advanced technological tools can significantly improve our students' learning experiences and outcomes.

Our project aims to [brief description of the project, e.g., implement a 1:1 device program, integrate interactive software, etc.]. With your generous support, we intend to:

- Provide [number] devices to our students.
- Offer professional development for our teachers.
- Enhance our curriculum with innovative technology.

The estimated budget for this project is [insert amount], and we are seeking funding to cover [specific expenses, e.g., devices, training, software licenses]. We believe that this initiative will [mention positive impact on student learning and engagement].

We appreciate your consideration of our proposal and look forward to the possibility of collaborating to enhance educational opportunities at [School Name]. Thank you for your support in advancing our students' futures.

Sincerely,

[Your Name]
