Dear [Recipient's Name],

I am writing to formally request an opportunity for advanced placement in mathematics for the upcoming academic year. I have consistently demonstrated strong performance in my math courses, and I believe that moving to a higher level will better align with my academic goals and interests.

Throughout my studies, I have maintained a GPA of [Insert GPA] in mathematics, completed [any relevant courses or honors], and participated in [any math clubs, competitions, or additional learning].

I am particularly passionate about [specific area of mathematics] and wish to further develop my understanding and skills in this subject. I believe that advanced placement will provide me with the challenges and depth I am seeking.

Please let me know if there are any specific requirements or assessments that I would need to complete to be considered for advanced placement. I am happy to provide any additional information or documentation needed to support my request.

Thank you for considering my request. I look forward to your positive response.

Sincerely,

[Your Name]
