

Post-Operative Recovery Check-In

Dear [Patient's Name],

I hope this message finds you well. It has been [number of days/weeks] since your surgery, and we wanted to check in on your recovery progress. Your well-being is our top priority.

Please let us know how you are feeling and if you have any concerns or questions. It's important to follow your post-operative instructions to ensure a smooth recovery.

We encourage you to attend your follow-up appointment scheduled for [date and time]. Please confirm your availability.

If you are experiencing any unusual symptoms such as increased pain, swelling, or fever, do not hesitate to reach out to our office or seek emergency care.

Wishing you a continued recovery!

Best regards,
