[Recipient's Title]

[Recipient's Institution]

[Institution Address]

Dear [Recipient's Name],

I am [Your Name], a student in the [Your Program/Department] at [Your Institution]. I am writing to propose a research project titled "[Project Title]" as part of my engineering design course.

This project aims to [briefly describe the objective and significance of the project]. The primary focus will be on [mention key areas of research or design]. With the guidance of [mention any faculty advisor or professional collaboration, if applicable], I intend to conduct a thorough investigation that will [explain the expected outcomes and impact].

To successfully carry out this project, I will need [mention any specific resources, funding, or mentorship]. I believe that your expertise and support would be invaluable to the success of this project.

I would appreciate the opportunity to discuss this proposal with you further. Thank you for considering my request. I look forward to your positive response.

Sincerely,

[Your Name]
