Date: [Insert Date]

To: [School Board Name]

[School Board Address]

Dear Members of the School Board,

I am writing to formally express my objection to the current policy practices implemented by the school board, specifically regarding [briefly specify the policy or practice, e.g., "the new grading policy" or "the dress code"]. As a concerned parent/guardian of [Child's Name], who attends [School Name], I believe these policies may negatively impact our students' [[insert specific concerns, e.g., "academic performance," or "mental health"]].

Firstly, [provide a specific reason for your objection. Example: "The grading policy does not accommodate diverse learning styles, which may hinder students who require alternative assessment methods."].

Additionally, [insert another point of concern. Example: "The new dress code disproportionately affects students from low-income families who may not have access to the prescribed attire."].

In light of these issues, I kindly urge the board to reconsider these practices and engage with the community to find a more equitable solution that supports our students' needs.

Thank you for your attention to this matter. I look forward to your prompt response and the opportunity to discuss this further.

Sincerely,
