Subject: Guidance on Filing a Civil Lawsuit

Dear [Recipient Name],

This letter serves as a guide to help you navigate the civil lawsuit filing process. Below are the steps that you need to follow to file your lawsuit:

## **Step 1: Determine the Type of Case**

Identify whether your case falls under small claims or general civil jurisdiction.

## **Step 2: Gather Relevant Information**

Collect all necessary documents, including contracts, receipts, and any correspondence related to your case.

## **Step 3: Prepare Your Complaint**

Draft a complaint that outlines your case, the parties involved, and the relief you seek.

## **Step 4: File the Complaint**

Submit your complaint to the appropriate court along with any required filing fees.

## **Step 5: Serve the Defendant**

Ensure the defendant is properly served with the complaint and summons according to local rules.

## **Step 6: Await Response**

Wait for the defendant to respond to your complaint within the designated timeframe.

If you have any questions or require further assistance, please do not hesitate to reach out.

Yours sincerely,
