Dear [Patent Examiner/Recipient's Name],

I am writing to formally request a patent for my new technology invention titled "[Invention Title]." The invention relates to [briefly describe the field and nature of your invention].

The primary purpose of this invention is to [explain the problem it solves or the benefits it provides]. I believe that this invention has the potential to [describe its significance or advantage in the industry or market].

I have conducted a detailed examination of existing patents and confirmed that my invention is novel and non-obvious. Enclosed with this letter, you will find the following documentation:

- Detailed description of the invention
- Drawings/diagrams (if applicable)
- Claims of the invention
- Prior art references

I appreciate your consideration of my patent request. Please let me know if you require any additional information or clarification regarding my invention.

Thank you for your attention to this matter. I look forward to your response.

Sincerely,

[Your Name]

[Your Title/Organization Name, if applicable]
