Dear [Registrar's Contact Name],

I am writing to formally complain about an unauthorized registration of a domain name that is closely associated with my business/brand, namely [insert domain name].

I became aware of this issue on [insert date you discovered the unauthorized registration]. This registration was made without my consent, and I believe it could lead to confusion among my customers and potential harm to my brand's reputation.

As the rightful owner of the trademark related to this domain name, I request that you take immediate action to investigate this situation and help rectify it by either releasing the domain name back to me or connecting me with the current registrant.

Please acknowledge the receipt of this complaint and inform me about the steps you will take to address this issue.

Thank you for your immediate attention to this matter.

<pSincerely,
