## **RE: Demand for Transfer of Disputed Domain Name [insert domain name]**

Dear [Recipient's Name],

I am writing to formally demand the transfer of the domain name **[insert domain name]**, which is currently registered under your name. I believe that my rights to this domain name are legitimate based on [insert reason, e.g., trademark ownership, prior use, etc.].

Despite my previous attempts to resolve this matter amicably, I have not received a satisfactory response. Therefore, I must insist on the immediate transfer of the domain name to my own registration.

If I do not receive a response within [insert time frame, e.g., 15 days], I will have no choice but to take further action, including but not limited to legal proceedings, to protect my rights.

I hope we can resolve this matter promptly and amicably. Please contact me at your earliest convenience to facilitate the transfer.

Thank you for your attention to this urgent matter.

Sincerely,

[Your Name]
