Subject: Defense Against Medical Malpractice Allegations

Dear [Recipient Name],

I am writing to address the allegations of medical malpractice regarding the prescription error that occurred on [insert date]. As the healthcare provider involved, I would like to provide a detailed defense regarding the circumstances surrounding this situation.

Firstly, it is important to acknowledge that I take the concerns raised by [Patient's Name] very seriously. The prescription in question, [insert medication], was issued based on the standard of care, taking into account the patient's medical history and presenting condition. I followed all established protocols and guidelines set forth in the medical community.

Furthermore, after reviewing the case, I have concluded that the error in question was not due to negligence but rather resulted from [insert explanation, e.g., miscommunication or an unforeseen circumstance]. I have since taken steps to ensure that such errors are prevented in the future, including [list any changes or improvements made].

In light of the above, I respectfully request that you reconsider the claims of malpractice against me. I am confident that upon further examination of the facts, it will be clear that I acted within the standards of care expected of a medical professional. Please feel free to contact me at [insert phone number] or [insert email address] should you require any additional information or clarification.

Thank you for your attention to this matter. I look forward to resolving this issue promptly.

Sincerely,
