

Letter of Objection to Alcohol License Application

Date: [Insert Date]

To Whom It May Concern,

I am writing to formally object to the alcohol license application submitted by [Applicant's Name] for the premises located at [Premises Address].

As a resident of [Your Community/Neighborhood], I have several concerns regarding this application:

- The potential increase in noise levels during late-night operations could adversely affect the quality of life for local residents.
- There have been previous incidents of public disturbance in this area, which could be exacerbated by an alcohol-serving establishment.
- The increased foot traffic may pose safety concerns, especially for children and elderly residents.

For these reasons, I respectfully request that the appropriate authorities consider my objections and deny the application for an alcohol license at this location.

Thank you for your attention to this matter.

Sincerely,
