Subject: Application for Utility Connection for Renewable Energy Setup

Dear [Utility Company Manager's Name],

I am writing to formally request a utility connection for my renewable energy setup located at [Your Address]. I have recently installed [specify type of renewable energy system, e.g., solar panels, wind turbine] and would like to connect it to your grid to contribute to sustainable energy production.

Details of the installation are as follows:

- Installation Type: [Type of Installation]
- System Capacity: [Capacity in kW]
- Installation Date: [Date of Installation]

I have attached all necessary documents including installation permits, proof of system certification, and my identification for your reference. Please let me know if any additional information is required to process my application.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
[Your Name]
