Subject: Request for Restoration of Utility Service at [Your Property Address]

Dear [Utility Company Contact/Customer Service],

I am writing to formally request the restoration of utility service at my residential property located at [Your Property Address]. The utility service has been interrupted since [Date of Service Interruption], and this has caused significant inconvenience to my household.

According to my previous communication with your customer service department, I understand that the interruption was due to [reason for interruption if known]. I would appreciate any updates regarding the status of the restoration and an estimated timeline for when the services will be resumed.

Please let me know if you require any further information or documentation from my end to expedite the restoration process. You can contact me at [Your Phone Number] or [Your Email Address].

Thank you for your prompt attention to this matter. I look forward to your swift response.

Sincerely,

[Your Name]
