Dear [Utility Company Name],

I hope this message finds you well. I am writing to inquire about the electricity consumption recorded for my account with the account number **[Your Account Number]** for the month of **[Month/Year]**.

Upon reviewing my recent bills, I have noticed a significant increase in consumption compared to previous months. I would appreciate it if you could provide me with a detailed breakdown of my electricity usage and any factors that may have contributed to this increase.

If possible, I would also like to receive information regarding any energy-saving programs or recommendations that your company offers to help reduce consumption and lower costs.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
