Dear [Utility Company Contact/Manager's Name],

I am writing to formally request the extension of utility services to my property located at [Your Address]. I have observed that the current range of services does not extend to my location, which has become a significant concern for my household/business activities.

Details of my property are as follows:

- **Property Address:** [Your Address]
- **Type of Service Requested:** [Electricity, Water, Gas, etc.]
- **Area Size:** [Size of the property] acres/sq ft

I believe that extending your utility services to this area will not only enhance the quality of life for the residents but also promote development in our community. I am willing to support this request further by providing any necessary documentation or assistance.

Thank you for considering my request. I look forward to your prompt response.

Sincerely,

[Your Name]
