Dear [Utility Company Representative's Name],

I am writing to formally address the delay in connection of utilities at my residence located at [Your Address]. I understand that there are challenges that may arise during the connection process, and I appreciate your efforts in this matter.

To resolve this situation, I propose the following solutions:

- Provide a specific timeline for the connection.
- Offer a temporary utility solution until the permanent connection is complete.
- Compensate for the inconvenience caused due to the delay.

I believe that these steps can help mitigate the impact of the delay and improve our ongoing relationship. I look forward to your prompt response and am hopeful for a swift resolution.

Thank you for your attention to this matter.

Sincerely,

[Your Name]
