Dear [Utility Company Representative],

I am writing to request a home energy audit with a specific focus on lighting enhancement advice. As a homeowner seeking to improve energy efficiency, I believe an assessment of my current lighting setup would be invaluable in identifying potential upgrades that could lead to energy savings.

Please let me know the steps required to arrange this audit and any guidelines or documents I need to provide. I am eager to learn more about how I can enhance my home's lighting while decreasing energy consumption.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
