

Utility Storm Mitigation Guidelines for Tenants

Date: _____

Dear Tenants,

As we approach the storm season, we would like to share some important guidelines to help you prepare for severe weather conditions. Your safety and comfort are our top priorities. Please review the following steps to ensure you are ready:

1. Emergency Preparedness

- Keep additional supplies such as water, canned food, and batteries on hand.
- Have a working flashlight and a first-aid kit accessible.

2. Communication

- Ensure that your contact information is up-to-date with property management.
- Follow local news and weather updates for the latest information.

3. Power Outages

- Charge all electronic devices before a storm.
- Consider investing in a portable generator for emergency power.

4. Safety Precautions

- Stay indoors during severe weather and avoid unnecessary travel.
- Secure any loose items on your balcony or patio to prevent damage.

5. Post-Storm Actions

- Report any damage to your unit or common areas to property management immediately.
- Stay clear of downed power lines and report them to local authorities.

Thank you for your attention to these important guidelines. We appreciate your cooperation in keeping our community safe and prepared.

Sincerely,
[Your Property Management]
