To Whom It May Concern,

I am writing to inquire about the renewable resources that your utility company provides. As a resident of [Your City/State], I am interested in understanding more about the options available for sustainable energy usage.

Specifically, I would like to learn about:

- The types of renewable energy sources you offer (solar, wind, etc.)
- Any current programs or incentives for residential renewable energy installations
- Information on how to transition to renewable energy sources for my home
- Any available resources for energy efficiency improvements

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
