Dear [Utility Company Representative's Name],

I am writing to discuss the current pricing structure for my residential utility services under account number [Your Account Number]. I have been a customer since [Year] and have always valued the service provided by [Utility Company Name]. However, I am reaching out to negotiate a more favorable pricing arrangement.

Over the past year, I have noticed [specific details about pricing increases, service issues, or comparisons with other providers]. In light of these factors, I would appreciate your consideration of a review of my current rates.

I believe that my loyalty as a long-time customer warrants some flexibility in the pricing structure. I am hopeful we can come to a mutually beneficial agreement that reflects the value of the services provided.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,  
[Your Name]
