Dear [Recipient's Name],

We are pleased to present you with the funding sources available for our Utility Assistance Program, designed to provide support to those in need of financial assistance for their utility bills.

Funding Sources:

- Federal Emergency Management Agency (FEMA) - Provides emergency funding for utility assistance.
- Low-Income Home Energy Assistance Program (LIHEAP) - Offers financial assistance for home energy costs.
- Local Government Grants - Various grants available at the city and county level.
- Community Action Agencies - Nonprofit resources offering utility assistance services.
- Utility Company Programs - Many utility companies have their own assistance programs for low-income customers.

We encourage you to explore these options and utilize the available resources to alleviate the burden of utility expenses. If you have any questions or need further assistance, please do not hesitate to contact us.

Sincerely,
