

# Request for Late Check-Out

Dear [Hotel Manager's Name],

We hope this message finds you well. My name is [Your Name], and I am currently checking in to your hotel with my partner, [Partner's Name], for our honeymoon from [Check-in Date] to [Check-out Date]. We would like to request a late check-out on [Check-out Date] if possible.

As this is a special occasion for us, having a bit more time to enjoy our stay would mean a lot. We are willing to comply with any additional fees or conditions that may apply for the late check-out.

Thank you very much for considering our request. We appreciate your hospitality and look forward to your positive response.

Warm regards,
