Dear [Recipient's Name],

We are pleased to propose a strategic partnership between [Your Company Name] and [Recipient's Company Name] aimed at promoting eco-friendly travel programs. Our mutual commitment to sustainable practices and responsible tourism can provide an exceptional opportunity to both our audiences.

As awareness of environmental issues grows, travelers are increasingly seeking out eco-conscious options. By collaborating, we can develop programs that not only meet this demand but also enhance customer experiences while minimizing environmental impact.

We suggest a partnership that includes joint marketing campaigns, co-hosted eco-friendly travel events, and resource sharing to create unique travel packages that highlight sustainable practices.

We believe that together we can make a significant impact in the travel industry, and we are excited about the possibility of working alongside your esteemed organization. We would love the opportunity to discuss this proposal further.

Looking forward to your response.

Best regards,
