

Travel Health Protocols for Cruise Passengers

Date: [Insert Date]

Dear Valued Passengers,

We are excited to welcome you aboard for your upcoming cruise. In order to ensure a safe and enjoyable experience for everyone, we kindly ask that you adhere to the following health protocols:

Before Your Cruise

- Complete a health questionnaire 72 hours prior to embarkation.
- Obtain a negative COVID-19 test result taken within 48 hours before departure.
- Ensure that your vaccinations are up-to-date as per health guidelines.

During Your Cruise

- Wear face masks in indoor public spaces.
- Practice social distancing where possible.
- Frequent hand washing and use of hand sanitizers is encouraged.

If You Feel Unwell

If you begin to feel unwell at any point during your cruise, please notify a crew member immediately.

Your health and safety are our top priority. Thank you for your cooperation in keeping our community safe. We look forward to seeing you onboard!

Sincerely,

[Cruise Line Name]
