

Pre-Flight Safety Briefing Checklist

Dear Passengers,

As we prepare for takeoff, please take a moment to review our safety procedures. Your safety is our top priority.

Safety Briefing Checklist

- Check your seatbelt: Ensure it is fastened low and tight across your lap.
- Locate emergency exits: Identify the nearest exits and their routes.
- Review safety card: Familiarize yourself with the safety information provided in the seat pocket.
- Stow your belongings: Please ensure that all bags are securely stored in the overhead bin or under the seat in front of you.
- Electronic devices: Set your devices to airplane mode and follow crew instructions for usage.
- Life vests: Locate the life vest under your seat and review its operation.
- Keep aisles clear: Ensure that aisles and exits are unobstructed during the flight.

Thank you for your attention. We wish you a pleasant flight!

Sincerely,
[Your Airline Name]
