

Inflight Entertainment System Issue

Date: [Insert Date]

To Whom It May Concern,

I am writing to report an issue with the inflight entertainment system during my recent flight [Flight Number] on [Date]. Despite multiple attempts to use the system, I was unable to access any of the available movies, TV shows, or music options.

This made my experience less enjoyable, as I was looking forward to utilizing the entertainment features during the flight. I would appreciate it if you could investigate this matter and ensure that it is resolved for future flights.

Thank you for your attention to this issue.

Sincerely,
