Dear Customer Service Team,

I am writing to express my concern regarding the excessive volume and frequency of announcements made during my recent flight on [Flight Number] on [Date]. While I appreciate the importance of safety announcements, I found that the number of additional announcements significantly disrupted the comfort of the flight.

The continuous interruptions not only made it challenging to relax but also caused distress among passengers. I believe that a more balanced approach to onboard announcements would greatly enhance the passenger experience.

Thank you for your attention to this matter. I hope to see improvements on future flights.

Sincerely,
