Subject: Noise Complaint Regarding Excessive Volume from Electronic Devices

Dear [Recipient's Name],

I am writing to bring to your attention an ongoing issue concerning excessive noise generated by electronic devices used by fellow passengers in [specify the location, e.g., a shared living space, transportation, etc.]. As a resident/commuter in this environment, I have been increasingly disturbed by the loud volume of music, videos, and other noise from these devices, particularly during [specify times, e.g., late evenings or early mornings].

While I fully understand that individuals have the right to enjoy their electronic devices, the current volume levels make it difficult for me and other residents/commuters to engage in everyday activities, such as [specify activities like relaxing, studying, or working].

I kindly request that you address this issue to ensure that our shared space remains comfortable for all. Implementing a guideline or reminder about the acceptable volume levels for electronic devices would be greatly appreciated.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
