Dear [Recipient Name],

I am writing to formally appeal for enhancements in restroom accessibility within your airline's service during air travel. As an individual who [describe your situation briefly - e.g., faces mobility challenges, is a caregiver, etc.], I have encountered significant difficulties when using onboard restrooms.

While I appreciate your efforts in accommodating diverse passenger needs, I believe further improvements can help ensure that all flyers can travel comfortably. Specifically, I would like to propose the following enhancements:

- Installation of handrails to assist passengers in navigating the restroom.
- Clear signage indicating accessible facilities.
- Regular maintenance checks to ensure cleanliness and functionality.
- Training crew members to assist passengers who may need extra help.

Improving restroom accessibility would greatly enhance the travel experience for individuals with limited mobility and their companions. I kindly urge your organization to consider these suggestions seriously for implementation in future flight services.

Thank you for your attention to this important matter. I look forward to your positive response.

Sincerely,
