

Travel Handbag Security Check Guidelines

Date: [Insert Date]

Dear [Traveler's Name],

As you prepare for your upcoming travel, we would like to provide you with essential guidelines for your handbag during security checks.

Security Check Guidelines:

- Ensure that your handbag is compliant with the airline's size restrictions.
- Pack items such as liquids and gels in containers of 100ml or less, stored in a clear, resealable plastic bag.
- Remove any prohibited items including sharp objects, flammable materials, and certain electronics.
- Be prepared to remove your handbag from your carry-on luggage for inspection.
- Keep your passport, boarding pass, and any important documents accessible for easy verification.

Your cooperation is greatly appreciated and will help ensure a smooth and efficient security process.

Sincerely,

[Your Name]
