[City, State, Zip Code]

Dear [Recipient's Name],

I am writing to suggest an enhancement to the runway capacity at [Airport Name]. As air traffic continues to grow, optimizing our current infrastructure is crucial for maintaining efficiency and safety.

In light of recent trends, I propose the following enhancements:

- Implementation of parallel runways to increase capacity.
- Upgrading current runway surfaces for improved takeoff and landing efficiency.
- Introduction of advanced air traffic management systems for better coordination.

These enhancements could significantly reduce delay times and improve overall passenger experience. I believe that investment in our runway capacity will have long-term benefits for our airport and the communities we serve.

Thank you for considering this proposal. I look forward to your response and would be happy to discuss this matter further.

Sincerely,

[Your Name]
