Subject: Discrepancy in Travel History Records

Dear Sir/Madam,

I am writing to formally address a discrepancy I have noticed in my travel history records associated with my immigration file. My name is [Your Name], and my case reference number is [Case Reference Number].

Upon reviewing the information provided by your office, I found that my travel dates for [specific trip or date range] do not match my records. Specifically, my travel to [Destination] occurred from [Start Date] to [End Date], while your records indicate [Incorrect Dates].

To assist in correcting this information, I have attached copies of my travel documents, including flight itineraries and entry/exit stamps.

I kindly request that you review my case and update my travel history accordingly. If you require any further documentation or information, please do not hesitate to contact me.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Signature (if sending a hard copy)]
