

Confirmation of Collaboration on Sustainability in Aviation

Dear [Recipient's Name],

We are pleased to confirm our collaboration on sustainability initiatives in the aviation sector. This partnership aims to enhance our efforts towards reducing environmental impacts and promoting sustainable practices within the industry.

As discussed, our key objectives will include:

- Implementing eco-friendly technologies.
- Increasing fuel efficiency.
- Promoting recycling and waste reduction practices.

We believe that this collaboration will not only benefit our organizations but also contribute to a greener future for aviation.

Thank you for your commitment to this important endeavor. We look forward to working closely together.

Best regards,
