## Dear Admissions Committee,

I am writing to express my interest in the mentorship program offered at [University Name] for non-traditional students. As a dedicated and motivated adult learner, I believe that this program will be instrumental in helping me achieve my academic and professional goals.

With a background in [Your Background/Experience], I am passionate about [Your Field of Interest] and am excited to further my education. However, I recognize that transitioning back into an academic environment presents unique challenges for non-traditional students like myself. I am eager to seek guidance from experienced mentors who understand these challenges and can provide me with support and encouragement.

Throughout my career, I have demonstrated a strong commitment to self-improvement and continuous learning. I am confident that the mentorship program will provide me with the tools and insights necessary to not only succeed in my studies but also to contribute positively to the university community.

Thank you for considering my application. I am looking forward to the opportunity to engage with mentors who can inspire and guide me on my educational journey.

Sincerely,
