

Petition for Reduced Transit Fare for University Students

Date: _____

To: [Transit Authority Name]

Address: [Transit Authority Address]

Dear [Transit Authority Official's Name],

We, the undersigned students of [University Name], are writing to formally petition for a reduced transit fare specifically for university students. Given the current economic climate and the financial burdens faced by students, we believe this initiative is essential for ensuring equitable access to transportation services.

Many students rely on public transit to attend classes, access essential services, and participate in extracurricular activities. However, the rising costs of transit passes pose a significant challenge for many of us.

Therefore, we respectfully request that the transit authority consider implementing a reduced fare program for university students. This initiative would not only support students in their educational pursuits but also promote the use of public transport, benefiting the entire community.

Thank you for your attention to this important matter. We look forward to your positive response.

Sincerely,

[Your Name]
