

Peer Tutoring Request for Study Group Formation

Dear [Tutor's Name/Teacher's Name],

I hope this message finds you well. My name is [Your Name], and I am currently a student in [Your Class/Subject] at [Your School]. I am reaching out to seek your assistance in forming a study group for peer tutoring.

As we approach the upcoming exams, I believe that collaborating with classmates could greatly enhance our understanding of the material. I would like to request your support in connecting with fellow students who might be interested in joining this study group.

My goal is to create an environment where we can share knowledge, clarify doubts, and assist each other in our studies. If you could provide guidance on how to organize this or suggest potential members, I would greatly appreciate it.

Thank you for considering my request. I look forward to your positive response.

Sincerely,
[Your Name]
