Dear [Partner Name],

We are pleased to propose the formation of a multidisciplinary research partnership between [University Name] and [Partner Institution]. This partnership aims to address [insert research focus or problem area] through collaborative efforts that leverage our collective expertise in various disciplines.

We believe that this collaboration can lead to innovative solutions and significant advancements in [insert specific field or application]. Our shared commitment to [insert relevant values or goals, e.g., sustainability, technological advancement, etc.] positions us well to make impactful contributions to the academic community and society at large.

We propose the following initial objectives for our partnership:

- Joint research initiatives on [insert specific projects or areas of interest].
- Collaborative grant applications to pursue funding opportunities.
- Combined workshops, seminars, and conferences to disseminate findings and share knowledge.

We look forward to your favorable response and the opportunity to discuss this proposal further. Please feel free to reach out to me at [insert contact information] to arrange a meeting.

Thank you for considering this opportunity for collaboration. We are excited about the potential of our partnership and the benefits it can bring to both institutions.

Sincerely,
